

Sinclair Broadcast Group's recent actions of showing Stolen Hours which is really a smear campaign against John Kerry if not something that should be put on the free airways as it is so biased. This close to the elections it can actually change the outcome of our election and I don't feel this is fair. This is not in the public interest.

Sinclair's actions show why we need to strengthen media ownership rules. They show why the license renewal process needs to involve more than a returned postcard. Thank you.

I find it hard to believe that you can't police the airwaves better than this.

Thank you
